Honorable David E. Bell
Director
Bureau of the Budget
Washington 25, D.C.

Dear Mr. Bell:

This is in response to your request for this Agency's views on the Enrolled Bill, H.R. 11732, to amend section 305 of the Communications Act of 1934, as amended.

The complex problems which have resulted in the submission of H.R. 11732 and of similar proposals in the previous Congresses have received the closest study by this Agency for several years. We believe the establishment of reciprocal communication rights is necessary and have so advised the Bureau in the past.

Approval of the bill, H.R. 11732, is recommended.

Faithfully yours,

(Signed) Marshall S. Carter
